### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **IN THE CLAIMS:**

In claim 26, line 2, the term --a-- was inserted before "rotary" to correct an obvious oversight by applicant.

#### **IN THE TITLE:**

Please note the title of the invention has been changed by the Examiner to the following to more accurately reflect the claimed invention:

**--INKING OR DAMPENING UNIT INCLUDING ADJUSTABLE THROW-ON FORCE FOR SETTING IMPRINT WIDTH--**

2. The following is an examiner's statement of reasons for allowance:

With respect to claim 13 in particular, applicant's arguments presented in the amendments dated 01/27/2007 and 10/03/2007 are persuasive. Specifically, the prior art of record fails to teach or fairly suggest an applicator unit having all of the structure as recited, in combination with and particularly including, a motor comprising one of a spring, an electric attraction magnet, or a rotary motor acting on the levers and

operatively arranged for pivoting the applicator roll to a thrown-on position against a form cylinder of the rotary press using an adjustable and controlled throwing-on force that is controlled by the motor for setting the desired imprint width and a lock mechanism for locking the applicator roll in the throw-on position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Leslie J. Evanisko** whose telephone number is **(571) 272-2161**. The examiner can normally be reached on T-F 8:00 am-6:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
